Get Kids Moving

According to the International Health, Sportsclub Association it is important for us to continually teach our kids to lead healthy and active lives now so they can avoid serious health problems in the future.

At TWOG we make "moving" fun! We thank all of you for the opportunity to be a part of your enrichment programs for your family. (note as well: PARENT'S FITNESS CENTER IS BUSIER THAN EVER!) Parents, thanks for taking the lead and setting a great example!

"31" Year Celebration!

Tulsa World of Gymnastics opened its door in October 1976 with 22 children. Our gym located in the Expressway Center at 3691 South 73rd E. Ave. (just about 4 blocks away) and was to become our home from 1976-1993. This year we celebrate 31 years of excellence!

The amazing story for all of us is that we were totally "un-air-conditioned" all of the 17 years that we were in that location. But, Tulsa kept coming and supported the efforts of our quality program. Today, we have a staff of thirty-one instructors to support our current enrollment.

We have maintained the philosophy "Teach Children that they can Achieve, and They will Remember the Lesson for Life." Plan to join us through the year in Celebration activities with your children.
