Summer Starts at TWOG

Welcome to our June-July Summer Gymnastics program. Time will fly when you're having fun.....and that's just what we intend to do this summer. Learning is fun!! Growing is fun! We're happy to have you in our "fun" gymnastics family!

"Welcome to our Wonderful World"

Welcome Children, Parents, Grandparents, Aunties and Uncles to our Wonderful World of Bouncing, Flippin', Running, Swinging,, Climbing and Body Building Fun!!

You're at the right place!! As much fun as we do have we just want you to know,,,,,,we teach a lot more than just gymnastics!!!

Your teachers know the importance of developmental skills which enhance co-ordination, balance, flexibility and strength. We understand the importance of children having successes within their abilities to succeed. Self-esteem, listening skills, discipline, spatial awareness, and self-control are the tools needed for successes in the early childhood developmental stages.

Our success with your child is a partnership we love to share with your family and friends. Your excitement that you show with their progress is as important as anything we can do in class!! Working together we know that we can contribute to the goals that you have for your child.

Hang on to your Hat!! Welcome to our Wonderful World!!!

Don't Wait Too Long

Just a reminder that our School Session classes fill very fast! Especially in an Olympic year. Be sure to take the time to fill out your Fall enrollment form ASAP! Classes are limited in size!

HELP US OUT!

Parents we need to remind you that your children that are not in classes need to be supervised when they are in the gym. It is not the responsibility of our desk personnel to keep track of children running in and out of rooms, knocking pictures off the wall, and breaking items. They are not allowed in the fitness area which is for parents only. We appreciate your attention to this matter.

"TEACH CHILDREN THAT THEY CAN ACHIEVE AND THEY WILL REMEMBER THE LESSON FOR LIFE."

Reminder to All:

Our parking lot is VERY busy. Please enter and exit at the proper ends and remember to drive slowly, looking and watching for little people "at play." Look twice before you back out and keep in mind that they "always have the right of way."

As a safety precaution:

Moms' don't leave your purse in your car! Even if it's locked! And, remember to always report any unusual persons loitering in the parking lot.

Remind your children that they must wait inside the building while waiting for you to pick up. No children may stand outside! You must park and come in to get them.

We do not anticipate any problems but we must always be alert and aware of all of the children as they enter and leave the premises. We appreciate all of you helping with keeping a watchful eye for everyone's safety.

NEW CLASSES, NEW FAMILIES!

Our staff extends a special warm welcome to all of the new families who are joining us for their first experience at Tulsa World of Gymnastics. We look forward to working with your children and know that you will learn much more than just "gymnastics." "If you're happy, tell others. If you're not, tell us!"

Looking forward to great Summer
