Tulsa World of Gymnastics

HY-LITES NEWSLETTER

Welcome Back!!!! Ready-Set-Go "31" Year Celebration!

Tulsa World of Gymnastics opened its door in October 1976 with 22 children. Our gym located in the Expressway Center at 3691 South 73rd E. Ave. (just about 4 blocks away) and was to become our home from 1976-1993. This year we celebrate 30 years of excellence!

The amazing story for all of us is that we were totally "un-air-conditioned" all of the 17 years that we were in that location. But, Tulsa kept coming and supported the efforts of our quality program. Today, we have a staff of thirty-one instructors to support our current enrollment.

We have maintained the philosophy "Teach Children that they can Achieve, and They will Remember the Lesson for Life." Plan to join us through the year in Celebration activities with your children.

SPECIAL THANKS

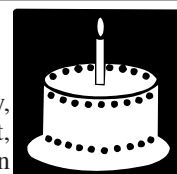

Thanks for making our Opening Month a major success. We do appreciate your patronage. "If you're happy, tell others. If you're not, tell us!"

Smile! You're On Candid Camera!

I'm sure you've noticed the monitor in the front lobby. Ever wonder why it's there? Well, we want to know who is coming in and out of our front door. For security purposes we monitor and record all entries. The monitor is also viewed from two other areas at all times. We know you don't mind being on film but somebody else might!!
